

LOOKBOOK | NOCTURNE

NOCTURNE

Collection Nocturne is evocative of night. It invites into the 'Kingdom of moths' in which each piece acts as an oxymoron combining dual manifestation distilled in one single essence. Inspired by strong contrast, defined edges and popping binaries each piece invites into its pensive yet fugitive sense of nowhere-ness.

Ear - wear

Elsewhere 1 | plain long

Earwear

Elsewhere 1 | Scortched long

Earwear

Elsewhere 2 | Short
